FARM QUESTIONNAIRE: BEEF

1) FACILITIES

For each location you use to raise cattle, you must submit a diagram of the property that includes the following information:

- 1. Physical address of the property, and the distance from the main farm/ranch
- 2. Total acreage of the property
- 3. The location and size of each pen/pasture/corral
- 4. The size and location of any buildings or structures on the property
- 5. The location of feeders and drinkers inside each pen/pasture/corral
- 6. The location of animal handling facilities.

Attach the diagram(s) to this application.

Describe your animal handling facilities (chutes, restraint systems, handling aids, etc.):

Where do cows calve?	
How often are cows checked during calving	g season?
How often are livestock checked during va	rious seasons?
Winter	Spring
Summer	Fall
What protection for animals from inclemen	nt weather (windbreaks, shade, etc.) is provided during
Winter	
Summer	
What protection from predators (dogs, coyo	otes, etc.) is provided?

Is feed free from all mammalian derived protein, except milk, and milk products?	Y	N
Is feed free from growth promoters and sub-therapeutic antibiotics, including ionophores and coccidiostats?	Y	N
Are feed ingredient tags available for at least one year?	Y	N
Feed records retention – keep a representative ingredient tag for each ingredient use old tags with current tags as rations change.		
Are feed bunks filled manually or automatically?		
How often are feed bunks cleaned?		
How much bunk space is available per animal?		
How many days supply of feed is available on the ranch?		
Are cattle kept on grazing pastures during grass-growing season?	Y	N
How is animal access to poisonous plants or unsuitable feedstuffs prevented?		
Commodity Feed Area		
Is feed kept covered?	Y	N
Are commodity storage areas cleaned between loads of feed?	Y	N

Application for Certification: Beef January 24, 2020

Describe commodity/feed storage (separate or mixed; covered or uncovered):

Water What type of waterers do the cattle have access to?		
How many waterers of each type are in each pen/pasture?		
How often are water troughs checked?		
How often are water troughs cleaned?		
Are water troughs disinfected?	Y	N
If yes, what is used:		
Are any water filtration/purification systems used?	Y	N
If yes, please list:		
What is the primary water source for the farm?		_
What are emergency or backup water sources?		_
Calves Is a source of colostrum available for calves who may need it? If colostrum must be provided to a calf, when is it given?		
Method used (bottle, tube):		
Volume administered:		
At what age are calves weaned?		
At what age are calves provided forage or creep feed?		
5) Body Condition Scoring		
When are animals Body Condition Scored?		
By whom?		

What type of scoring system is used?

PRODUCER AGREEMENTS
I/we, the duly authorized representative(s) of the operation described in this application, hereby affirm that all information supplied in this document and any attachments is true and accurate.
I affirm that I have read and understood the Humane Farm Animal Care (HFAC) standards applicable to my operation. I affirm my commitment to abide the HFAC certification polices, procedures and standards No prohibited products or practices have been used, applied, or otherwise allowed to compromise the integrity of the products sold by me. I understand that failure to comply with the standards or giving false information may result in revocation of the certification of my operation.
I understand that the operation will be inspected annually and may also be subject to unannounced inspection and/or sampling for residues at any time. If the operation is a member of a Producer Group, I understand that the Internal Control System of the Producer Group will inspect the operation at least annually and that Humane Farm Animal Care may also conduct inspections of the operation. I agree to report any significant changes to the Farm Questionnaire to HFAC and to supply any information needed for evaluation of products to be certified.
I understand that submission of this application does not guarantee or imply certification. I give permission for HFAC, staff, committee members or field inspectors to visit my farm and examine fields, buildings, animals, files, documents and records, including but not limited to financial data and tax returns. I understand and agree that no HFAC staff member, board member, committee member, inspector, consultant, subcontractor, or volunteer shall be held liable or responsible for any amount in excess of the certification fees paid. I give my permission for HFAC to use subcontractors to perform tasks released to the process of certification.
I give permission for HFAC to release information from my file to other recognized certification organizations for purposes of document review. I understand that HFAC will obtain confidentiality statement from the requesting certifier before releasing any information.
All information provided in this application will be held in strict confidence and will be used by the inspector, office staff and certification committee members for certification purposed only. The above individuals have disclosed potential conflicts of interest and are bound by confidentiality agreements. HFAC has my permission to obtain information, documents, or materials related to certification, suspension of certification, or revocation of certification from other certifiers.
Signature Authorized Representative of the Producer Date

ALL ATTACHMENTS, INCLUDING DIAGRAM AND UNIVERSAL APPLICATION, ARE REQUIRED WITH SUBMISSION OF APPLICATION. FAILURE TO PROVIDE THIS INFORMATION MAY CAUSE DELAY IN SCHEDULING YOUR INSPECTION.

Application Instructions

- 1. **Complete** both the **Universal Application** and the attached **Application**.
 - a. Applications are to be completed in their ENTIRETY.
- 2. Submit the two applications
- 3. **Submit a diagram** of the facilities on a separate piece of paper that includes:
 - i. Dimensions of each building
 - ii. Equipment used (feeders, drinkers, etc.)
 - iii. Target air quality/temperature parameters
 - iv. Information about outdoor access, if applicable to your operation
- 4. **Submit** the Application Fee of \$75.00 to Humane Farm Animal Care.
 - a. [email the application fee]
 - b. Mail to Humane Farm Animal Care, P.O. Box 82, Middleburg, VA 20118

Completion of the Application provides HFAC an overview of your facility and management, so it is important that you do your best to **fill out the entire application**. A thoroughly completed application will:

- 1. Avoid delays in your certification.
- 2. Reduce the amount of time taken to conduct an inspection.

BEFORE YOU PROCEED

At the inspection, you must be prepared to show the HFAC Inspector the following at his/her visit to the Unit:

- Death/mortality records and reasons for mortality (when known)
- Culling records and reasons for culling
- Medicine records retained for 1 year (including reason for use, drug used, and withdrawal/safe sale date)
- Stocking rates
- Feed and feed ingredient records for previous year
- Movement records (bought and sold dates)
- Production data
- Record of vital automatic equipment maintenance checks
- List of routine farm maintenance checks
- Training and/or experience of all staff involved in the livestock enterprises
- Demonstrate safe, hygienic, well-maintained buildings/environment, handling equipment and automatic equipment.
- Emergency contacts
- Record of actions taken on complaints about the operation's compliance with HFAC standards
