Application Instructions

1. **Complete** both the **Universal Application for Egg Processing** and the attached **Application for Certification of Laying Hen Operations**.
   a. **Applications are to be completed in their ENTIRETY**.
2. **Submit** the two **applications**
3. **Submit a diagram** of the facilities on a separate piece of paper that includes:
   i. Dimensions of each building
   ii. Equipment used (feeders, drinkers, nest boxes, perching, ventilation, etc.)
   iii. Target air quality/temperature parameters
   iv. Lighting regimen for each building
   v. Information about outdoor access, if applicable to your operation
4. **Submit** the Application Fee of $75.00 to Humane Farm Animal Care.
   a. [email the application fee]
   b. Mail to Humane Farm Animal Care, P.O. Box 82, Middleburg, VA 20118

**Completion of the Application provides HFAC an overview of your facility and management, so it is important that you do your best to fill out the entire application. A thoroughly completed application will:**

1. **Avoid delays** in your certification.
2. **Reduce** the amount of time taken to conduct an **inspection**.

**BEFORE YOU PROCEED**

At the inspection, you must be prepared to show the HFAC Inspector the following at his/her visit to the Unit:

- Death/mortality records and reasons for mortality (when known)
- Culling records and reasons for culling
- Medicine records retained for 1 year (including reason for use, drug used, and withdrawal/safe sale date)
- Stocking rates
- Feed and feed ingredient records for previous year
- Movement records (bought and sold dates)
- Production data (feed consumption, water consumption if possible)
- Record of vital automatic equipment maintenance checks
- List of routine farm maintenance checks
- Training and/or experience of all staff involved in the livestock enterprises
- Demonstrate safe, hygienic, well-maintained buildings/environment, handling equipment and automatic equipment.
-Emergency contacts
-Record of actions taken on complaints about the operation’s compliance with HFAC standards
-Amount of time kept outdoors/indoors (for birds with outdoor access)
**APPLICATION FOR CERTIFICATION OF LAYING HENS OPERATIONS/PULLET OPERATIONS**

TO BE COMPLETED IN FULL

Are you seeking certification as:  □ Independent Farm  □ Under another company’s umbrella

If under another company, which one? ______________________________________

### GENERAL INFORMATION

<table>

List brand name(s) product is sold under:

**Production System:**

- □ FIXED HOUSING
- □ MOBILE UNIT (house or structure on wheels)
- □ FREE-RANGE
- □ PASTURE
- □ AVIARY

(checkbox all that apply - please refer to Laying Hen Standards for definitions of free-range & pasture)

**TOTAL NUMBER OF HOUSES:**

Does Producer also have CAGED egg production?  □ Yes  □ No  **If YES, please complete the following box.**

Who is paying certification fees?  **NAME:**

**EMAIL:**

For CAGED EGG PRODUCTION ONLY:

**Address of CAGED egg production:**

Are CAGED eggs brown or white?  □ Brown  □ White

**Is there a plan to convert CAGED production to CAGE-FREE?**  □ Yes  □ No
Are other addresses used for raising birds?  □ Yes  □ No  If YES, please complete the following line.

Total number of birds to be certified:  Age when pullets are sent to laying barns:  Eggs sold annually (in dozens):

Name & physical address of EGG PROCESSOR/location where eggs are PACKED (Complete Universal Application form):

Name, phone number, and physical address of HATCHERY:

Name, phone number, and physical address of PULLET SUPPLIER/location where pullets are RAISED:

Member of other quality assurance, commercial vendor approval, or animal welfare certification program(s)?

□ Organic  □ UEP  □ Costco  □ Other (please list)

OPERATION & FACILITIES

For each location you use to house birds, you must submit a diagram of the facilities showing the dimensions of each building, the equipment used (feeders, drinkers, nest boxes, perching, ventilation, etc.), the target air quality/temperature parameters, and the lighting regimen for each building. If birds have any type of access to the outdoors, include that information on the diagram. Please submit this on a separate sheet of paper attached to this application.

If these houses are at a different address than the main unit, please indicate the address below:

Farm Name & Address:

Contact Person:  Phone Number:

Complete the following chart for EACH HOUSE/BARN. Use additional pages for more houses.

2) **FEED AND WATER**

**Feed Suppliers/Mills Used**

**Name of Supplier:**
Address:
Telephone No.:
Name(s) of Mill(s) Used (if different than feed supplier):

**Name of Supplier:**
Address:
Telephone No.:
Name(s) of Mill(s) Used (if different than feed supplier):

Is feed free from all avian- or mammalian-derived protein and any other animal by-products (except eggs, egg products, and fish meal)? □ Y □ N

Is feed free from growth promoters and sub-therapeutic antibiotics? □ Y □ N

Do you induce molting? *(If yes, must attach a copy of molting protocol used.)* □ Y □ N

**Feed records retention** – keep a representative ingredient tag for each ingredient used. Replace old tags with current tags as rations change.

Do birds have access to the outdoors? □ Y □ N

If yes, is animal access to poisonous plants prevented? □ Y □ N

3) **LITTER**

Is litter area available? □ Y □ N

What type of litter is used? ______________________________________________________

Supplier of litter _______________________________________________________________

4) **FACILITIES**

How often are birds checked each day? _______________________________________________
Is protection for all animals provided during inclement weather? (extreme temperatures, storms)  
☐ Y  ☐ N

If yes, describe: ________________________________________________________________

**For birds with access to the outdoors:**

How is predator protection ensured? _______________________________________________

Are there sufficient shaded areas for hens to rest without crowding together?  
☐ Y  ☐ N

If yes, describe: ________________________________________________________________

Are mobile housing units used?  
☐ Y  ☐ N

If yes, describe the dimensions and submit a facility sketch:
___________________________________________________________________________

How is ground coverage ensured (e.g. vegetation, straw, mulch, sand)? Describe:
______________________________________________________________________________

5) **ENVIRONMENTAL IMPACT POLICY**

**a. For free-range systems ONLY:**

1) Is rotational grazing used to manage contamination, pests, and parasites in the range area?  
☐ Y  ☐ N

   If yes, how often is the range rotated (how long are birds on the range before being rotated?)  
   *(Must have written plan for rotational grazing available at the farm.)*

   __________________________________________

   If no, describe management of the outdoor area – how are poached, muddy or worn areas prevented or dealt with? *(Must have written plan for range management available at the farm.)*

   __________________________________________

2) What else is done to prevent contamination of the outdoor area?

   __________________________________________

3) How long do birds have access to the range area per day? *(Specify hours.)*________

   __________________________________________
4) How long do birds have access to the range area per year? *(Specify months/seasons.)*

________________________________________________________________________

5) Is there vegetative cover? □ Y □ N

If yes, what type?

________________________________________________________________________

If no, what alternative ground cover is used?

○ Straw
○ Mulch
○ Sand
○ None
○ Other (please specify): _________________________________________________

b. **For pasture systems ONLY:**

1) Do birds have access to pasture 12 months per year? □ Y □ N

If no, how long do birds have access to the pasture per year? *(Specify months/seasons.)*

________________________________________________________________________

2) How many pasture sections are available for rotational purposes? ___________________

3) What size are the pasture sections? *(Cannot use less than 20% of pasture at any time)*

________________________________________________________________________

4) How often is the pasture rotated? *(Must have written plan for range management available at the farm.)*

________________________________________________________________________

5) How are poached, muddy, or worn areas dealt with?

________________________________________________________________________

6) What type of vegetative cover is available?

________________________________________________________________________
### 6) Animal Health Procedures

Name and phone number of Veterinarian that you contact for health related questions (e.g. extension, vaccine company, breeder, local vet):

Name: ___________________________________________ Phone: _______________________

**Vaccination Program**

**Chicks**

<table>
<thead>
<tr>
<th>Age (in days)</th>
<th>Product</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
<tr>

</tr>
</tbody>
</table>

**Beak Trimming Program**

Age at which chick beaks are trimmed (in days): __________________

Is this done at the hatchery?  
☐ Y  ☐ N

What method is used?  
☐ Hot Blade  ☐ Infrared
Do you have a Disease Prevention Program? □ Y □ N
If yes, describe: ________________________________________________________________
If no, why not? ________________________________________________________________

Do you have an External Parasite Control Program/Prevention Plan? □ Y □ N
If yes, describe: ________________________________________________________________
If no, why not? ________________________________________________________________

7) CASUALTY STOCK POLICY

a. Emergency Euthanasia Plan (day-to-day euthanasia protocol)

<table>
<thead>
<tr>
<th>EUTHANASIA METHODS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Age of Birds</td>
</tr>
<tr>
<td>Chicks</td>
</tr>
<tr>
<td>Pullets</td>
</tr>
<tr>
<td>Adults</td>
</tr>
<tr>
<td></td>
</tr>
<tr>
<td>Euthanasia Method of Choice (day-to-day)</td>
</tr>
<tr>
<td></td>
</tr>
</tbody>
</table>

INDIVIDUALS WHO PERFORM EUTHANASIA ON FARM (DAY-TO-DAY)

<table>
<thead>
<tr>
<th>Trainee Name</th>
<th>Trained and Approved By</th>
<th>Date</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>

<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Producers should keep a copy of the “AVMA Guidelines for Euthanasia” with their flock plans (available at http://www.certifiedhumane.org/documents).
8) **ANIMAL RELATED EMERGENCY ACTION PLANS**

Are emergency contact numbers accessible to all who work on farm?  ☐ Y  ☐ N

Are persons who work on farm made aware of procedures to follow in an emergency?  ☐ Y  ☐ N

Emergency Contacts: _______________________________________________________________

Phone Numbers: ___________________________________________________________________

Normal stock water supplies: _________________________________________________________

Emergency stock water supplies: ______________________________________________________

Emergency water supply phone number: ________________________________________________

Normal power sources: ______________________________________________________________

Emergency power supplies: __________________________________________________________

Emergency power supply phone number: ________________________________________________

9) **CARETAKER TRAINING**

*List personnel (or family members if operation is family-owned and -operated) who perform routine on farm procedures and their training. Include training information for part-time and seasonal/short-term caretakers.*

*Examples of types of training: Animal handling, Beak trimming, Common diseases/treatments, Recognition of lameness or injury, Recognition of abnormal behavior, Inspection of automatic equipment.*

<table>
<thead>
<tr>
<th>Caretaker</th>

</tbody>
</table>
PRODUCER AGREEMENT

I/we _________________________________, the duly authorized representative(s) of the operation described in this application, hereby affirm that all information supplied in this document and any attachments is true and accurate.

I affirm that I have read and understood the Humane Farm Animal Care (HFAC) standards applicable to my operation. I affirm my commitment to abide by the HFAC certification policies, procedures and standards. No prohibited products or practices have been used, applied, or otherwise allowed to compromise the integrity of the products sold by me. I understand that failure to comply with the standards or giving false information may result in revocation of the certification of my operation.

I understand that the operation will be inspected annually and may also be subject to unannounced inspection at any time. If the operation is a supplier to Safeway, Costco, or another company that has authorized HFAC to conduct an inspection at the operation on their behalf, I grant permission to HFAC to share inspection results with said company. I agree to report any significant changes to the Farm Questionnaire to HFAC and to supply any information needed for evaluation of products to be certified.

I understand that submission of this application does not guarantee or imply certification. I give permission for HFAC, staff, committee members or field inspectors to visit my farm and examine fields, buildings, animals, files, documents and records, including but not limited to financial data. I understand and agree that no HFAC staff member, board member, committee member, inspector, consultant, subcontractor, or volunteer shall be held liable or responsible for any amount in excess of the certification fees paid. I give my permission for HFAC to use subcontractors to perform tasks released to the process of certification.

I give permission for HFAC to release information from my file for the purpose of accreditation or certification of HFAC for their document review. I understand that HFAC will obtain confidentiality statement from the requesting certifier before releasing any information.

All information provided in this application will be held in strict confidence and will be used by the inspector, office staff and certification committee members for certification purpose only. The above individuals have disclosed potential conflicts of interest and are bound by confidentiality agreements. HFAC has my permission to obtain information, documents, or materials related to certification, suspension of certification, or revocation of certification from other certifiers.

Signature of Authorized Representative of Producer                      Date

BARN DIAGRAM AND UNIVERSAL APPLICATION ARE REQUIRED WITH SUBMISSION OF APPLICATION. FAILURE TO PROVIDE THIS INFORMATION MAY CAUSE DELAY IN SCHEDULING YOUR INSPECTION.
